

DiamondBack®  
Truck Covers

---

CRAFTED WITH  
**PRIDE**  
IN THE  
**USA**

---

At DiamondBack Truck Covers, we're a team dedicated to rolling up our sleeves, getting dirty, and building quality products that make a difference. We're proud to have always called Philipsburg, PA our home. From smalltown USA, we are challenging the status quo of what truck bed covers should be so that we can all do more with our trucks.

# DO MORE.

DiamondBack Truck Covers are about getting more done with your truck by using it like a toolbox and loading it like a flatbed. A DiamondBack will change the way you use your truck by letting you secure more and carry more, making your truck capable of more.

# THE MOST USEFUL TRUCK BED COVER.

## HAUL ON TOP

With up to a 1600 lb. hauling capacity, where there's a DiamondBack, there's a way. Truck bed full? Carrying something that doesn't fit in the bed? Transporting the unexpected? Haul it on top.

## THEFT PROTECTION

Rugged die-cast zinc lock handles on the access panels of a DiamondBack keep your gear secure by actuating 3/8" deadbolt-style rods directly under the bed rails of your truck.

## WEATHER PROTECTION

A thick neoprene compression gasket runs along the perimeter of the cover to create a barrier to water, snow, or ice, keeping your cargo dry.

## REMOVABLE

Keep your options open. Go from locked and sealed to open bed in just minutes, all by yourself.

**10**  
MINUTES TO  
UNINSTALL

**50**  
POUNDS MAX  
PER PANEL

**1**  
PERSON  
REQUIRED\*

ONE COMMON  
TOOL REQUIRED

\*Two people are required to remove the DiamondBack 180

## FOLDABLE

**Tall cargo? No problem.** Large access panels fold back in seconds to open up bed space. Strap the folded panel down against the rest of the cover and you're ready to go.

## ACCESS

**It's quick & easy.** Items in your bed always seem to slide to the front. With a DiamondBack, you have quick and easy access to all parts of your bed. Just open a panel and grab.

DIAMONDBACK®  
HD

## A WORKHORSE SO YOU DON'T HAVE TO BE.

Perfect for ATV owners, sportsmen, contractors, and anyone who wants the best of the best. Designed for people who work out of their truck during the week and have fun with them on the weekends, the DiamondBack HD is a cover that demands more from your truck.

HAUL UP TO  
**1,600** LBS.

**1,600lb** hauling capacity

**.100"** 3003 alloy aluminum grade

**12** tie-down cleats pre-installed

**2** opening panels 1 front, 1 rear

**50lb** maximum panel weight

Structural support members spread cargo weight out over all four bed rails of your truck. They're the "ribs" of the cover, giving it strength unmatched by any other tonneau cover on the market.

# CONVENIENCE IS PRICELESS.

You always have things in your truck bed like tools, gear, and other items. The DiamondBack SE is designed for people who want convenience. Now you can haul the expected or unexpected, while keeping those everyday items in your bed.

**400lb** hauling capacity

**.080"** 3003 alloy aluminum grade

**4** tie-down cleats pre-installed

**2** opening panels  
1 front, 1 rear

**35lb** maximum panel weight

**DIAMONDBACK<sup>®</sup>270**

## TOOLBOX UP FRONT. TRUCK COVER IN THE BACK.

The DiamondBack 270 offers a combination of versatility, security, and easy access that's second to none. It's part toolbox, part truck bed cover, and helps you use your truck like a truck.

**400lb** hauling capacity

**.080"** 3003 alloy aluminum grade

**0** tie-down cleats pre-installed/  
option available

**3** opening panels  
2 side, 1 rear

**35lb** maximum panel weight

Three access panels make for easy access to your cargo from all the way around your truck. Optional storage bins are made to help keep you and your things organized, so you can spend less time searching and reaching for things and more time doing things.

## MOVES LIKE A BUTTERFLY. WORKS LIKE A BEE.

With two near full-length, side-opening panels, you now have complete open access to your entire bed from both sides of the DiamondBack 180. This means you can work and play directly out of your truck without having to crawl into the bed to reach stuff.

**400lb** hauling capacity

**.080"** 3003 alloy aluminum grade

**0** tie-down cleats pre-installed / option available

**2** opening panels  
2 side

**40lb** maximum panel weight

DIAMONDBACK<sup>®</sup>ATV

## IT'S AN ATV HAULER & A TRUCK BED COVER.

Combining the 1600 lb. hauling capacity of DiamondBack HD with the safety of DiamondBack ATV Carrier accessories gives you the most versatile way to haul one or two ATVs with your truck. Secure the gear in your bed. Free up your hitch. And go.

Use your hitch to tow a boat, camper, or even more ATVs all with one truck.

### ATV RAMPS

12' long x 15" wide  
Fold down to 76"  
3" side walls for safety

### SIDE RAILS

Act as tire stops  
& detach when  
not in use.

### CAB GUARD

Mounts to the HD  
to provide window  
protection.

### EXTENSION DECK

Provides an extra 21" to  
allow hauling two ATVs  
on a standard bed.

# A NEW WAY TO HAUL YOUR SIDE-BY-SIDE.

Never before have you been able to haul your side-by-side vehicle without a trailer, until now. Haul your side-by-side on top, secure your gear in the bed underneath, and free up your hitch to be able to finally take along that camper, boat, or more off-road vehicles.

**HEADACHE RACK**  
Mounts to the HD to provide window protection.

**TAILGATE-PANEL JACK POST**  
Enables operation of tailgate by supporting tailgate panel, & removes when not in use.

**REAR EXTENSION**  
Extends your bed to allow you to haul a side-by-side on a standard bed.
